

BUas Educational requirements

PLEASE READ THIS FIRST: In the Netherlands we have three diplomas that give access to the degree programmes. In this list we have specified the international equivalents of these Dutch diplomas. Click on your **country** and find out which diploma is required to be admitted to a bachelor's programme at BUas.

Is your diploma not on this list? No worries, we are aware that this list is not complete and, in some cases, the comparison with the Dutch diplomas depends on the subjects taken (and results obtained). Just apply for the programme of your choice and submit your application in My Online Application, after which our admissions officers will inform you if your diploma (to be obtained) meets the admission requirements for this programme.
